To Les,

And everyone who took care of my little 'Possum' for me.

Thank you so much for what you do. I don't know what I would have done if you didn't offer this service, for those of us that just can't let go of the pets we love so much. It was just so impossible for me to put this beautiful little being into the ground.

Possum looks so peaceful, like he is just sleeping. That is just as I wanted. It was a long year without him, but I'm so happy he is back home with me and up in his kitty tree where he belongs. Forever sleeping.

Les, you were just wonderful with me and so perfect for what you do there. Just so compassionate. They truly can't possibly pay you enough?? .

Thank you again and God bless...

Donna S.
